THE LITTLE MERMAID

WHAT: THE SERIES: Created by actor and director Ian Bell in 1998, the Brown Derby Series continues to simultaneously parody and pay homage to pop culture's most iconic screenplays. Mr. Bell, along with an under-rehearsed company of Seattle's funniest performers and drag queens, adapt screenplays into hilariously distorted versions of their former selves - like a celebrity after plastic surgery.

UPCOMING SHOW: Ariel, youngest daughter of King Triton, is dissatisfied with life as half-fish/half-teenager. She longs to be with her human love Prince Eric, who her father dismisses as a "barbaric fish-eater". Ariel goes to meet Ursula, the Sea Witch, to strike a bargain to trade one tail for ten toes, but Ursula has bigger plans...
