IAN BELL'S BROWN DERBY SERIES

"Ridiculously Staged Readings of Your Favorite Screenplays"
CONTINUES ITS 2014 SEASON DEDICATED TO TEEN HORROR WITH...

GREMLINS

WHAT: **GREMLINS:** Teenager Billy Pelzer's father just gave him an early Christmas present: an exotic, adorable pet "Mogwai" named Gizmo. But to care for the little guy Billy must follow **3 IMPORTANT RULES: "Don't get him wet, keep him out of bright light, and NEVER feed him after midnight!"** When Billy fails to follow the rules, the small town of Kingston Falls is overrun by demonic, little monsters – and now its up to Billy (*Zach Galligan*), his buddy Pete (*Cory Feldman*), his girlfriend Kate (*Phoebe Cates*) and his pet Gizmo (*voiced by Howie Mandel*) to gat the town back to normal before Christmas is ruined!

INTERSTING FACTS: *Inspired in part by a Twilight Zone episode starring William Shatner, GREMLINS was so criticized for its violence, producer Stephen Spielberg responded by "suggesting" the Motion Picture Association Of America change its rating system ...which it did, within two months of the films release. Rumor has it a remake of Gremlins is in the works as we speak!*
