IAN BELL'S BROWN DERBY SERIES
Presents a special encore of
R. Kelly's epic "Hip-HOpera"
TRAPPED IN THE CLOSET
(Chapters 1-12) - LIVE!

Some say R. Kelly should never have tried to extend his talents into the theatrical genre, while an equal percentage (if not greater) say that the Brown Derby company should never set foot in the R&B genre...but neither party can help but trespass where they've been told they shouldn't go, and so:

The Brown Derby will attempt to perform its interpretation of R. Kelly's *Trapped In The Closet (Chapters 1-12)*, bringing to life, on stage: love triangle upon love triangle, cliff hanger upon cliff hanger, and guns, guns, GUNS! The Brown Derby version of *Trapped In The Closet* will be presented virtually unedited and without alteration to the "Libretto" - because, well, why mess with perfection, right? Plus, the evening will be peppered with reenacted excerpts of Mr. Kelly's DVD Commentary, thereby giving us a deeper insight into the genius who originally penned this Hip-Operatic masterwork
