IAN BELL'S BROWN DERBY SERIES 2015
"Ridiculously Staged Readings of Your Favorite Screenplays"

Presents:

RAIDERS OF THE LOST ARK

WHAT:

Ian Bell's Brown Derby Series presents ridiculously staged readings of your favorite screenplays - heavily edited and immaturely adapted, the Brown Derby Series gang at once recklessly parodies and lovingly pays homage to Hollywood icons.

RAIDERS OF THE LOST ARK - The Brown Derby Series will unearth this holy relic of Hollywood from ancient epoch called The Early 1980's! Will Indiana Jones escape the huge boulder? Will Indy find the Ark before the Nazis? Will he get the girl?"...of course he will! The REAL QUESTION WE'RE ALL ASKING (director included) is: how will the Brown Derby Company re-enact the film's most memorable action/adventure sequences and special effects, using only cardboard, duct tape, and silly-string!?

- **David Gehrman** as Indiana Jones
- **Basil Harris** as Arnold Ernst Toht (the face melting Nazi)
- **Josh Hartvigson** - as the Capuchin Monkey (and more!)
- **Cory Nealy** as Sallah, Gobbler (and more!)
- **Mandy Price** as Marion Ravenwood
- **Spencer Thorson** as Satipo, Barranca, Colonel Dietrich (and more!)
- **Shane Wahlund** as Dr. Marcus Brody, Belloq (and more!)

Directed and Adapted for the stage by **Ian Bell**, Tech by **Todd Hull**
